

Creating Einstein Law's Presence on the Internet

We helped Einstein Law in Columbus, Ohio, grow its online brand awareness, reaching new clientele by using these four services.

Years with RevLocal

5+

Services Used

4

- Local Search
- Review Marketing
- Website Services
- Paid Advertising

Challenge

RevLocal worked with Einstein Law to get their name out there. We worked to update any information they currently had online but also created a website for them so clients had a one-stop-shop for all their information.

Process

RevLocal worked with Einstein Law to get their name out there. We worked to update any information they currently had online but also created a website for them so clients had a one stop shop for all their information.

Solution

With Local Search, Review Marketing, Website services and Paid Advertising, Einstein Law saw a huge increase in online leads. They were reaching a new set of clients they hadn't been able to reach before. With the services they signed up for working together, they were able to make their company be found online for people who were searching for businesses like theirs.

8.5x Increase in Page Views

Einstein Law saw a dramatic increase in their overall web presence, getting **8.5x more views** since partnering with RevLocal.

122% Increase in Phone Leads

We were able to help Einstein Law drive **122% more phone leads** to their business from being found online.

36% Growth in Revenue

After we built Einstein Law's digital marketing strategy, their **revenue increased by 36%**.
