

# Why Choose RevLocal as Your Marketing Partner

What makes RevLocal so different from other digital marketing agencies?

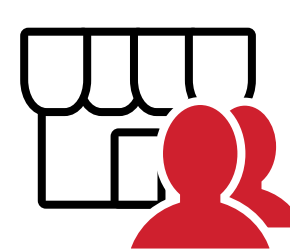

## Personalized Service

**Customized Services**

**Contract-Free Marketing**

**Small Business Background**

We've been in your shoes. Originating as a small business in Mount Vernon, Ohio, we know how difficult it can be to own a business in today's world. Because of this, we want our services to be effective and tailored to your business's specific needs. We have your digital marketing handled!

## Our Dedicated Team

**Marketing Strategists**

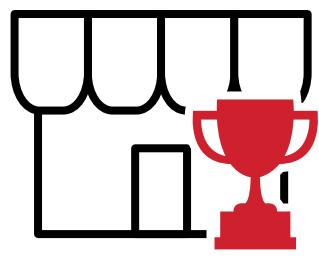

**Marketing Consultants**

**Product Experts**

When partnering with RevLocal, each client will work with an industry-specific strategist that helps them create an ongoing digital marketing strategy as well as a consultant to be an in-person resource in their local area. We're also backed by product experts, including paid ads, social media and more!

## Industries We Serve

**Local Business Marketing**

**Multi-Location Brand Marketing**

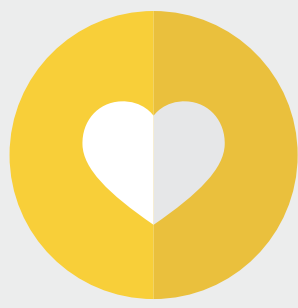

**Co-Op Marketing**

At RevLocal, we see our clients as people, not a transaction. When you partner with us, you're working with people who care about you and your business. We serve businesses of all types and sizes, but our specialty is helping local businesses and multi-location brands across a variety of industries.

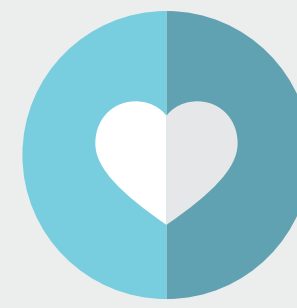

## Our Core Values

**Be Real**

**Go Beyond**

**Help Someone**

We believe that loyalty is built from the ground up and that we need to prove that what we do works and that you're seeing real results. To do this, our core values reflect our mission to be authentic, do the hard things that others won't and sacrifice convenience to serve others.
