The Bluegrass Market at Burlington is an “all things Kentucky and beyond” inspired open-air market for the entire family. The Bluegrass Market provides vendors the opportunity to participate in 3 separate weekend events at the beautiful Boone County Fairgrounds in the well known historic town of Burlington, Kentucky. Our buyers will be coming from all over the tristate region. In addition, we will be supporting several non-profit organizations as well as entrepreneurs.

The Bluegrass Market at Burlington is a juried event accepting vendors based on variety, originality, and quality of goods sold. Vendor selection is designed to provide customers with not only the highest quality of vendors but a collection of vendors who will compliment one another in such a way to create the Bluegrass experience.

The Bluegrass Market at Burlington is currently accepting applications from vendors specializing in art, upscale crafts, re-purposed, up-cycled, all things vintage, handcrafted, items. Unique clothing, farmhouse inspired home and garden décor, gourmet foods, chefs, and gardeners, are also invited to showcase their items and talents.

Vendor applications will be considered only if their photos or links to on-line photos are included with the application at the time of submission. It is strongly recommended that photos showcase the vendors ability to merchandise their goods.
