

Spark Signs & Graphics - Boosting Business

Spark Helps Brand NexTier Bank Offices

We recently completed two great projects for [NexTier Bank](#). First, we equipped their new Greensburg Loan Office with two lobby signs (NexTier brand plus "Welcome to Greensburg" graphics), a 20 foot banner and a lighted cabinet sign placed over the exterior ATM. In addition, we provided window graphics, illuminated channel letters on a raceway, and a handsome lobby sign at the newly renovated Chicora office.

And check out these other great projects.

Zambelli Fireworks - Lobby Sign

One of the largest fireworks companies in the world, [Zambelli Fireworks](#), moved its corporate office recently to Warrendale and we were thrilled to provide a lobby sign, exterior wall sign and door graphics. We used vibrant colors on clear acrylic and attached it to the lobby wall with shiny circular brushed aluminum standoffs.

Marjentac Properties - Building Sign

Our friends at the property management firm Marjentac recently reeled in a great new tenant, [Cousins Maine Lobster](#). We can't wait to try Pittsburgh's newest food truck and its delicious lobster rolls. Until then, Cousins will be working out of their local headquarters adorned with our high quality building sign.

Oxford Athletic Club - Sliding Door Graphics

[Oxford Athletic Club](#) is in the middle of extensive renovations both inside and outside of the club to offer members a more unique and memorable fitness and lifestyle experience. We wrapped the main entrance doors with new OAC branding and directional messages to shift members to a temporary entrance during construction.

Supremo's Pizza - Wall Graphics

One of our very first clients and a regular customer, [Supremo's Pizza](#), asked us to provide graphics to help open their third location. We printed high quality color graphics that were placed in different places within the new restaurant, including the order area shown here. Congratulations and good luck, Supremo's!

Rockerz Flooring - Truck Wraps

High performance vinyl can transform any vehicle. Take a look at the new red Dodge Ram 1500 that we changed into a [Rockerz Flooring](#)-branded field truck. This is but one of the numerous trucks and trailers that we have wrapped in their growing vehicle fleet.
