SUMMER CAMP 2018

Beginner and
Intermediate Programs
Ages 5-12

This program will focus on tennis technique fundamentals through competitive games while further developing athletic skills such as agility, balance and coordination.

The goal is to introduce basic sound strokes on forehand, backhand, serve, volleys and overheads. In addition, the program will aim to achieve a basic proficiency on the player's serve, return and rally of the ball as well as learn to play both singles/doubles and keep score.

The session consists of four elements:

- Physical Activities: agility, balance and coordination
- Learn Tennis Skills through simple and engaging progressions
- Learn How to play: serve, rally and keep score
- Build Character & Discipline through a positive and engaging tennis environment

Campers will have the opportunity to play on our 10 outdoor clay courts and 6 indoor hard courts.

Tennis campers will use low compression balls (red, orange and green) with appropriate size court and tennis racquet according to age and skill level.

The camp will be directed by a highly-skilled USPTA and/or PTR certified tennis professional with the knowledge and enthusiasm to help each student reach their potential while enjoying the game.

We will use the NET GENERATION method in order to teach and inspire our campers.
