CAMP HOURS

9:00 am - 12:00 pm

**Programs for Intermediate

Racqueteers

Junior Development

www.charlotteindoor.net

Racqueteers is designed for children age 12 and under who have begun to form solid fundamentals in their game. Racqueteers can swing, are able to serve and maintain rallies and keep score. This program will focus on tennis technique fundamentals through competitive games while further developing athletic skills such as agility, balance and coordination.

The goal is to have basic sound strokes on forehand, backhand, serve, volleys and overheads. Players must be able to execute all of the basic strokes with proper techniques and consistently rally 10 balls and serve from the baseline to complete the program.

Campers will have the opportunity to play on our 10 outdoor clay courts and 6 indoor hard courts.

Junior Development is for players who have an interest in or already play on a high school tennis team and/or compete at USTA Level 6, Level 5, and Level 4 tournaments. The program focuses on developing strong fundamentals through rallies and games. Our coaches place an emphasis on stroke mechanics, proper footwork and rally consistency.

The goal is to become a more consistent tennis player by executing basic tennis tactics and strategies for singles and doubles play.

All programs are led by USPTA and/or PTR certified tennis professionals with the knowledge and enthusiasm to help each student reach their potential while enjoying the game.

REGISTRATION POLICY – Full tuition must accompany the registration form. Your registration will not be processed until payment is received. No refunds for cancellations. All sessions are subject to a minimum enrollment, and CITC reserves the right to cancel any session with insufficient enrollment. Space is limited so register early.

WHAT TO BRING TO TENNIS CAMP – Campers should bring a tennis racquet, water, snacks, drink (or money to purchase snack and drink), and small towel.

Drop-off and pick-up is located indoors on Court 5. From the parking lot, proceed past the building and enter by the outdoor office. All children must be picked up indoors.
