

Summer Math!

June 1st – August 31st

Pick the summer program that fits your schedule. **One-hour** sessions anytime during instruction hours:

Monday-Thursday 3:00-7:00 PM

Friday 2PM - 6PM

100% Drop-in. No appointment required.

Our Mathnasium summer programs are designed to **prevent summer learning loss**, help students prepare for the upcoming school year and make math FUN! Summer Math Camp creates a fun learning environment and tailors the exercises to each student specifically. You can find all this and more this summer at Mathnasium!
