

Spark Signs & Graphics - Boosting Business

Window Murals & Graphics for Gibsonia Office Building

We just completed these cool window graphics for our client at 5316 William Flynn Highway in Gibsonia. Two tenants, [Cousins Maine Lobster](#) and [KC Spa & Nails](#), now have window graphics that fit their needs. For Cousins Maine Lobster, we designed, printed and installed a simulated wooden fence that ran the entire length of the windows. And for KC Spa & Nails, we used extra large and vibrant images of a manicure and pedicure to promote what is going on inside. These are two great companies -- watch for Cousins foodtruck around Pittsburgh and try their mouth-watering lobster rolls. And pop in to KC Spa and pamper yourself!

Check out some of our other work from June

NexTier Bank - Exterior Channel Letters

This is one of the many signs we created and installed for the new [NexTier Bank](#) location in Ford City. We installed three lighted cabinet signs on the building, front door and drive-thru graphics, parking and handicap signs and an interior wall logo behind the teller line.

The Big Salad - Exterior Building Sign

We helped a new healthy restaurant franchise, [The Big Salad](#), prepare for its July Cranberry Township opening by installing these lighted channel letters. The Big Salad prides itself as having the freshest ingredients and exceptional service.

Wildwood Sports & Entert. Complex - Windows

We were asked by our clients at [Wildwood Sports & Entertainment Complex](#) in Allison Park to bring several exterior banks of windows to life. Each mural included a phrase like "Fun & Games" to express what is going on at the complex. Check out the amazing multi-sport simulators!

Freedom Farms - Vehicle Graphics

We worked with the [Freedom Farms](#) team to turn their plain green trailer into a mobile billboard for their brand and services. We placed graphics on all four sides, as well as decals on two trucks. Look out for the Freedom Farms trailer at a local farmer's market near you!

Interior Office Signage for CASA

We recently put up two acrylic lobby signs, and door & wall graphics for [CASA](#) for Kids in Washington, PA. CASA for Kids is a non-profit that advocates for the best interest of abused and neglected kids in the juvenile court system.
